## OAKWOOD STOCK FARM AUCTION SALE

THURSDAY, NOVEMBER 2, 1950

C. B. Teegardin & Sons, Owners, Ashville, Ohio

Hal Longley, Sale Manager

16 So. Locust St., Aurora, Illinois

Paul Teegardin admits that a lot of his knowledge of cattle and hogs came to him through the teachings of the two men shown with him in this picture . . . Professor D. J. Kays and Professor J. S. Coffey, both of Ohio State University.

#### PLEASE NOTE

The Annual Fall Show and Sale of the Ohio Polled Shorthorn Breeders' Association will be held at the Ohio State Fair Grounds in Columbus on Friday, November 3rd, the day following our sale. We will be glad to cooperate with that organization in assembling and shipping cattle bought in both sales.

## GENERAL INFORMATION

This auction sale will be held at Oakwood Stock Farm owned by C. B. Teegardin & Sons, Ashville, Ohio, on Thursday, November 2, 1950.

The sale will start at 1:00 P. M. Lunch will be served at the farm.

Oakwood Farm is located 16 miles from the city of Columbus, Ohio. To reach the farm from Columbus, take U. S. Highway No. 23 south, ten miles to Oakwood Stock Farm sign at cross road. Turn left and go through Duvall, Ohio, six miles east to Madison Township School. Turn right to farm—one half mile.

We ask all who travel by train to advise us in advance so that we can meet them in Columbus.

We suggest that you come to the sale early so that you will have an opportunity to inspect the Oakwood herd of breeding cows as well as our herd bulls Oakwood Leader, Commander in Chief, and Oakwood Conqueror.

The auctioneers will be J. E. Halsey, Paul Good, and Gordon Perrill.

Those unable to be present and who desire to do so may send buying orders to any of the following men, all of whom will be in attendance:

Hal Longley, The Shorthorn World, Aurora, Ill.  
 Ned Place, Eastern Representative, The Shorthorn World, Wapakoneta, Ohio.  
 E. M. Huff, The Breeder-Stockman, Warrenton, Virginia.  
 Clinton K. Tomson, American Shorthorn Breeders' Ass'n., Chicago, Ill.  
 F. W. Harding, 807 Exchange Ave., Chicago, Ill.  
 Stanley Perkins, American Shorthorn Breeders' Ass'n., Chicago.

# *We Invite You . .*

We extend a cordial invitation to all who are interested in Polled Shorthorn cattle to be with us on the occasion of our Eleventh Annual Sale. I do not hesitate to make the assertion that this is the best offering in our history because it is largely an Oakwood bred offering. Our purchase of the Dr. Parke Smith herd of 70 head in 1947 gave us a much larger calf crop in the two succeeding years and, as a result, we are able to offer in this sale 37 head by Oakwood sires. Best of all, 27 of these are by Oakwood Leader and Commander-in-Chief, whose calves have made such a complete winning sweep at 1950 shows that we are convinced they are the two greatest sires in Oakwood history.

It is natural to believe in one's efforts when they have covered a span of thirty-five years. There is a great fascination in the never-ending game of improving livestock . . . always striving to make each new generation better than the last. We take pardonable pride in the achievements here at Oakwood with the cattle we have owned. There is a particular thrill that goes with seeing them leave Oakwood and do well for their buyers. This lot of cattle is submitted with greater confidence in their worth to the breed and their new owners than we have ever had in the past. We trust that you will join us in our confidence in them and in all better Polled Shorthorns on November 2nd.

## Guarantee

All cattle in this sale will be sold under the standard guarantee endorsed by the American Shorthorn Breeders' Association. Certificates of registry and transfer will be furnished with each lot sold. Shipment will be made as soon as possible after the close of the sale without trouble to the purchasers, but at their risk of loss or injury.

## Terms

The terms of the sale are cash.

## Health

The Oakwood Polled Shorthorn herd is Federally Accredited for Tuberculosis and is tested regularly for Bangs Disease. Health Charts will be provided that will comply with the regulations existing in any state. Nearly all of the females in this sale have been vaccinated for Bangs. We practice calfhood vaccination at Oakwood and all calves are pretested and clean before vaccination.

## Headquarters

Headquarters for our sale will be at the Neil House in Columbus, Ohio. Our farm is located 16 miles South of this city. If you come to the sale by car, please invite your neighbor breeders to ride with you. If you come by train or bus, simply go to the Neil House in Columbus and we will provide transportation to the farm if NOTIFIED.

We will do everything in our power to insure the safety of sale day guests but we assume no liability for accidents of any nature.

It is true that leadership is determined largely by achievements of the past. However, no purebred cattle breeder can remain in the leader's position without due consideration of the future. Although this catalog is filled with history . . . history that has been written by Oakwood Polled Shorthorns over the past third of a century . . . no one should gain the impression that this herd is living on the achievements of the past. Elsewhere in this catalog is a page outlining the awards at 1950 shows. They include an undefeated grand champion bull, three-bull group, two-bull group, and first-prize winners in the get-of-sire and many other classes. These are the awards that provide proof that Oakwood is keeping step with progress and that today's herd bulls are the best in the history of this noted Polled Shorthorn nursery.

Confidence displayed by buyers in the past ten auctions held at Oakwood Stock Farm has resulted in a supreme effort on the part of the owners to provide for this year's sale the finest collection of both bulls and females that have ever been offered in a Polled Shorthorn auction. That they have succeeded in assembling such a sale offering was obvious to me on the occasion of my recent visit to the farm and will be equally obvious to all who attend the sale. Taking the champions of the greatest live stock shows as their pattern and making use of the blood of these champions in moulding animals of superior type and quality, the owners of the Oakwood Herd have delivered a real service to the Polled Shorthorn industry by making these 45 richly bred animals available to the public.

In the senior get-of-sire class, these four sired by Oakwood Leader, himself a champion, have won first prize at the Ohio, West Virginia and Maryland State Fairs.

This three bull group has not been defeated this year. First at Illinois, Ohio, West Virginia and Maryland. The Oakwood two pair of bulls also has not been defeated.

In the junior get-of-sire class, this trio sired by Commander-in-Chief has won first prize at the 1950 Ohio, West Virginia and Maryland State Fairs.

# Just a word about our 1950 Show Record . .

We have shown at the Illinois, West Virginia, Ohio and Maryland State Fairs this season. We had entries in 77 classes in these four shows. We won a total of

**49 firsts**

**24 thirds**

**28 seconds**

**14 fourths**

**9 championships**

In West Virginia and Maryland we showed in horned competition. Percentage wise, Oakwood's winnings in the 77 classes were:

**Firsts—63%**

**Thirds—31%**

**Seconds—36%**

**Fourths—18%**

**Championships—56%**

That's the record. We are proud to submit the figures and we hope it would indicate that our herd bulls, Oakwood Leader and Commander-in-Chief are siring the right kind.

***True to His Name His Calves Have Led  
Oakwood to Still Greater Triumphs***

A new photo of the 1950 grand champion Oakwood Bequest taken at the farm after he had returned home from four great State Fairs without defeat. Paul Teegardin and Harvey Ferguson, herdsman, are admiring this son of Oakwood Leader.

Oakwood Golden Leader, a son of Oakwood Leader that won grand championships at 1949 shows. He is being reserved for herd use. He is a full brother to Oakwood Flora, Lot 27 in this sale.

Oakwood Loyal Leader, the son of Oakwood Leader that won first prize at Ohio and second at Illinois and Maryland State Fairs this year.

When Gosshall Ximenes was sold at the 1942 International Shorthorn Sale, Shorthorn breeders were unanimous in their opinion that he was the greatest prospect for a sire that had been offered in a generation. That he should sell for the top price at auction in this country in over two decades, was indicative of their confidence in his future. At that time we had in service at Oakwood three International Grand Champion bulls, but we felt that Gosshall Ximenes could write a new chapter in Polled Shorthorn achievement to use him upon the daughters of these bulls and, in cooperation with Montana Hall, we purchased this bull at \$5,700. His sire, Col-doch Union Jack, was the Supreme Champion at the Perth Show in 1932. That he proved himself an equally noted sire is now history. The record of the sons and daughters of Gosshall Ximenes in Oakwood Sales stands unprecedented, these cattle sired by this great bull having averaged \$1,712.50. A son, Oakwood Grand Duke, sold to Janesway Farms in our 1946 sale at \$5,000. A son was Reserve Champion at the 1946 Congress and another son sold at \$2,050 to bring the second top price. Like his other sons, both of these bulls are proving outstanding sires. His daughter, Gloster of Oakwood B, was the undefeated Grand Champion at the State Fairs of 1946. Gosshall Ximenes died April 30th, 1947. History will surely rate him as one of the breed's GREAT SIREs! This sale offers ample testimony of the ability of his son, Oakwood Leader x, as an improving sire.

Oakwood Myrtle proved very profitable to Roy Hopper. Her calf, by Oakwood Leader, was the 1950 Congress grand champion bull, Royfield's Leader. He is pictured elsewhere in this catalog.

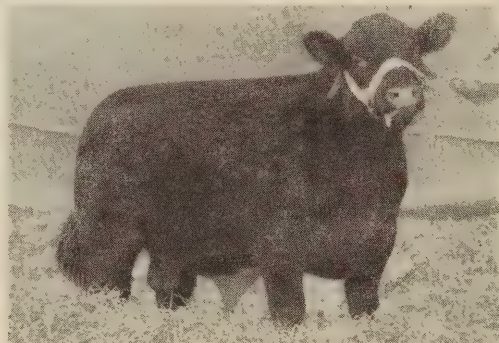

Oakwood Myrtle 2nd proved profitable to Lynnwood. We bought her son, by Oakwood Leader, from them and he has been a prominent winner at 1950 shows.

## Inside Stuff . . .

Roy Hopper purchased Oakwood Myrtle in our 1948 sale at \$875. She sold mated to Oakwood Leader. Her calf was a bull, Royfield's Leader, that is now well known to every Polled Shorthorn breeder for he was the 1950 National Polled Shorthorn Congress grand champion bull. He brought Roy \$2,750 in the sale and sold to head the grand lot of females being assembled by Mr. and Mrs. C. Henry Baum, West Lebanon, Indiana. Roy mated Oakwood Myrtle to Oakwood Union Jack, his son of Gosshall Ximenes, and has a three-quarters brother to Royfield's Leader for the 1951 Congress.

Lynnwood Farm, Carmel, Indiana, purchased Oakwood Myrtle 2nd in our 1949 sale at \$1,000. She was mated to Oakwood Leader and dropped a bull of much promise. We purchased this calf in April to come back to Oakwood. He is not highly fitted but he has stood next to Oakwood Mainstay and we plan to retain him for 1951 shows and for use as a herd sire to carry on the tradition of Oakwood Leader and the 1941 International grand champion, Coronet Command.

Oakwood Medallion. This is the son of Oakwood Leader out of Oakwood Myrtle 2nd that we bought from Lynnwood. We are keeping him for a herd sire.

# DID YOU KNOW THAT . . .

Charles Clamme & Sons, Hartford City, Indiana, purchased Oakwood Radiant Command in our 1947 sale. The price was modest But the bull looked like a sire to us. These folks fitted three calves to show at the 1950 Indiana State Fair—all sired by Radiant Command. Here's the story: Cherrylawn Duchess was the first prize senior heifer calf in both the open show and the Gold Medal show. She was made grand champion Gold Medal heifer of the show. Cherrylawn Nonesuch, out of a grand daughter of Oakwood Nonesuch, stood third as a senior bull calf and Cherrylawn Goods stood fourth. The three head were second prize junior get-of-sire and the Clammes stood second on their pair of calves.

\* \* \*

Richwood Farms, Clayton, Indiana, adds further testimony to the ability of Oakwood Leader as a top sire. A son of Oakwood Leader out of a heifer stood second among a long class of senior bull calves at the 1950 Indiana State Fair in the Gold Medal class and he stood in the same position in the open show. The bull that beat him is the excellent Lynnwood Beacon, that was the reserve champion bull at both the Illinois and Indiana State Fairs. This calf is to remain in the Richardson herd as their herd bull. They write: "Oakwood Harmony 8th is due to calve again in about five weeks.

We are looking for a 'knockout' from her this time." This is one of the top heifers they added from our 1947 sale offering.

\* \* \*

In our 1947 sale, Mr. and Mrs. Hugh W. Webb, Franklin, Indiana, chose a junior bull calf, Oakwood Gold Seal, as their future herd sire. In 1949 a daughter, Webbland's Queen Helen, was the reserve champion Gold Medal heifer at the state fair. Under the fitting of young Jerry Webb this year, she came back to top the 4-H heifers at the Indiana State Fair in a class of fifteen. In the Gold Medal show she stood second to Lynnwood's winning heifer in a class of fourteen. The Webbs came back to our 1948 sale and selected a heifer bred to Oakwood Leader and that calf is being retained for use on the daughters of Oakwood Gold Seal. This calf, in breeding flesh, stood second in the 1950 Indiana State Fair Gold Medal class of nine and landed fourth in the open show in a class of eleven. More proof that animals bought at conservative prices in Oakwood sales do BREED ON.

\* \* \*

In the Janesway-Lehnert-Giesy sale—an offering loaded with Oakwood breeding—52 lots sold for an average of \$511 in their

first sale. The top female at \$1,000 was a daughter of the \$5,000 Oakwood Grand Duke and was the first calf from a daughter of the \$4,700 Oakwood Command. The second top female at \$905 was bred at Oakwood, while the top bull was out of a dam that topped our 1946 sale. More evidence that Oakwood blood breeds on for our customers.

\* \* \*

In the 1949 National Polled Shorthorn Congress sale which averaged \$554, the cattle sired by Oakwood bred bulls or out of Oakwood bred dams averaged \$750 . . . \$196 difference in favor of Oakwood sires and dams.

\* \* \*

The \$3,500 International grand champion female, Cherry Hill Spicy, was out of a dam sired by Oakwood Gondolier.

First prize three bull group 1948 International. Oakwood Conqueror x and the two first sons of Oakwood Leader x. Oakwood has won this honor twelve times in the past fifteen Internationals—standing second twice.

Northern Indiana Breeders' Sale found a daughter of Oakwood Radiant Command, owned by Chas. Clamme & Sons, Hartford City, Indiana, named grand champion. He brought \$500, a sister \$410. The sale averaged \$323 so Charles collected \$264 for his selection of this bull on just one pair of young heifers.

\* \* \*

In the 1950 Shenandoah Valley of Virginia sale, the top at \$1,035 was sired by Forest Glen Merry King, a son of Oakwood Merry King, 1939 International grand champion bull. The Fishpaws got this outstanding sire when they bought a bred heifer at \$500 in the 1941 Oakwood sale. The top bull at \$1,000 was out of a dam by Gosshall Ximenes and sired by a grandson of Gosshall Ximenes owned by Harry McCann. The second top female was sired by the

**GOSSHALL XIMENES x**

same bull and out of a daughter of Oakwood Pure Gold, top bull in our 1941 sale, she was a heifer calf and sold at \$710.

\* \* \*

Wm. H. McDonnell came to our 1943 Oakwood sale and purchased two heifers bred to Imp. Gosshall Ximenes. One produced a herd bull for him, Millbrook Ximenes, that was mated to Oakwood Mistletoe 3rd, the second heifer. That mating produced a first prize winner for McDonnell at the International and the Congress Show and Sale, where she sold for \$1,250.

\* \* \*

The dam of the \$3,900 International reserve champion bull, Cherry Hill Royal Oak, was sired by a son of Oakwood Memory, 1931 junior champion bull for Oakwood.

**OAKWOOD CROWN COMMAND x**

The 1950 Illinois and Indiana State Fair reserve champion bull, Lynnwood Beacon, is out of a daughter of Oakwood Juno 8th by Oakwood Emperor, next dam by Oakwood Royal King.

\* \* \*

The prosperity of American agriculture rests on the livestock industry . . . then why not buy champions where champions are bred?

***"There will always be a hearty welcome at Oakwood Stock Farm for those who share our love for good Polled Shorthorns."***

### **Fun at Oakwood**

The pictures on these two pages were taken at the 1950 picnic of the Ohio Polled Shorthorn Breeders' Association held at Oakwood Stock Farm.

## Oakwood Leader x

***A better sire never has been bred or used  
at Oakwood Stock Farm***

Oakwood Leader might well be thought of as "The Sire of the Year," predicated upon the performance of his calves. At the 1950 Polled Shorthorn Congress, Oakwood Leader sired the grand champion bull. Another son, Oakwood Gallant Leader, topped his class. His daughter, Oakwood Happiness 11th, stood second in the strongest class of females and was the second high selling female. His calves won the Get-of-Sire class. We stood second on Best Three Head. We were second on Pair of Bulls and we won first on Best Pair, bull and female, bred and owned by exhibitor. In the sale, his five calves averaged \$1,220.

Oakwood Leader sired Oakwood Bardolier, the top selling Polled Shorthorn bull of 1949, when he brought \$3,400 in our sale on the bid of King Bros., Capetown, South Africa.

He sired the first prize summer yearling bull at the 1949 International, Oakwood Forecast, which was sold for export in August, 1949, to Peele River Live Stock & Mineral Co., Ltd., of Australia.

He is the sire of Oakwood Bequest, 1950 grand champion bull at the Illinois, West Virginia and Maryland State Fairs. Bequest is a full brother to Oakwood Bardolier.

Should you breeders have any doubt in your mind about the way these sons of Oakwood Leader are going to breed on, ask to see the calves we have, sired by Oakwood Bardolier.

We are appreciative of the fact that we have been privileged to use eight International grand champion bulls at Oakwood, but we feel that Oakwood Leader may prove the BEST SIRE OF ALL.

## Oakwood Conqueror x

Oakwood Conqueror was grand champion bull at the 1949 Ohio State Fair, and he was the first prize senior yearling bull at the International. He stood third at the American Royal—the highest rating made by any polled bull in that National show. He is a grandson of the two great bulls, Edellyn Royal Leader and Gosshall Ximenes. He has a sire's head and front. He is deep-bodied, short of leg, thick and full-quartered. To us he combines the "most of the best" in Shorthorn inheritance and wears it well with a polled head.

His first calves indicate they are the kind you'd expect him to sire—ask to see them sale day. We feel that this bull, along with Oakwood Leader and Commander in Chief represent a trio of herd bulls that are the best we have had in service at Oakwood.

## Commander in Chief x

It was the outstanding excellence and promise of Commander in Chief, as a six weeks old calf, that prompted us to buy Lady Golden 5th. To us she was a "na'ural" as a brood cow and we wanted to mate her to Gosshall Ximenes. From this mating she produced Oakwood Leader.

Commander in Chief sold in our 1944 sale to Clare B. Turner & Sons, Cass City, Michigan. Everyone was impressed with his outstanding conformation, rich color, levelness, balance and shortness of leg. When the Turners wrote that they wanted a young bull to use on the heifers by Commander in Chief, I visited their farm. There I saw twelve of the most uniform yearling heifers in pasture I have ever seen. We drove to another pasture and saw Commander in Chief with the cow herd. A dozen calves were with the cows. They, too, had the same good heads, the same short legs, the same depth of body and thickness of quarter. They all looked alike!

We sold a half-interest in Commander in Chief in July, 1949, to W. H. McCeney, Jr., Sporting Field Farm, Capon Bridge, West Virginia, and he left Oakwood August 1st and returned February 1st.

The first calves sired at Oakwood had arrived and they were all we had hoped for.

The 1950 shows have reflected our belief in him. His first daughter dropped at Oakwood has been twice a championship winner. His son, Oakwood Mainstay, has been a championship winner, and good judges have called him "a calf that has an unlimited future."

We are proud of the fact that our winning Junior Get-of-Sire is sired by Commander In Chief, for to us it indicates that we have the two best sires at Oakwood today that we have ever owned. As further evidence that Commander In Chief is siring the right kind, we point to the fact that the grand champion Polled Shorthorn female at the 1950 State Fair, exhibited by Mack Little & Sons, Cass City, Michigan, is one of his daughters.

Study our show record made in four of the strongest shows of the year. See the calves by this sire on sale day, and I'm sure you'll share our confidence.

# Would You Pay a Little More To Get a Lot More?

On the pages of this catalog will be found the pictures of some of the famous sires that have been used at Oakwood Stock Farms as well as the pedigrees of those that are at present in service. Those who study this catalog carefully will know why the top auctions have been held at Oakwood for so many years. They will also know why the real students of the breed buy Oakwood productions with such a feeling of security.

Successful breeders are aware that the management of a purebred herd may be likened to the management of a bank account . . . **you can't take out any more than you are willing to put in.** Oakwood bred Polled Shorthorns make good because they are BRED to make good. The position of your herd can be strengthened by the purchase of such seed stock . . . and the best ever offered from the Oakwood herd are in this sale.

OAKWOOD ROYAL KING x

*For five consecutive years the "get of sire" class at the International Livestock Exposition was headed by the sons and daughters of the International grand champion, Oakwood Royal King x. No other Polled Shorthorn bull has ever equalled or even approached this record.*

OAKWOOD DEFENCE could be another Oakwood Bequest in 1951. He has a head that bespeaks a herd bull and if we can guess another one hundred per cent de-horner, he could do that job, too. His dam is a grand producer and this calf is the best bull she has ever dropped. He is a balanced calf—deep sided, great rear flank, wide from end to end and a “made to order” tail setting and rear quarter. Remember, he is out of the same cow that produced the great show heifer, Gloster of Oakwood. Ask on sale day to see her last calf by Oakwood Leader. It will strengthen your confidence in Oakwood Defence!

Look at his bone. Look at his substance. He isn't loaded with flesh, for we have been using him, but he topped the senior bull calf class at the 1949 Ohio State Fair and stood fourth at the International. His dam is a top daughter of the 1939 International grand champion, Oakwood Merry King. The second dam is a full sister to the 1936 International grand champion, Oakwood Emperor. OAKWOOD PERFECTO is a calf we rate as of outstanding promise. He wasn't given a chance or he might have been the winning summer bull of the year. He has a sire's head and front. He looks a one hundred per cent de-horner, too. Study him carefully. Short in his coupling, let down in his rear flank, straight, both in his top and bottom lines, level tail setting, full, bulging quarter! A son of a champion, a three-fourths brother to Oakwood Bequest out of a dam by the \$4,700 Oakwood Command. He has a right to his promise and he certainly has the right of inheritance to prove a history making sire.

OAKWOOD CHIEF MERCURY is a calf of much promise. He is a show prospect and he looks like he would sire that kind. He is not fitted but he is the same pattern as Oakwood Mainstay, the calf that has won at Ohio, West Virginia and Maryland State Fairs, and they are both by Commander in Chief. His dam, a granddaughter of the Perth supreme champion, Calrossie Mercury, is an ideal cow and her dam was a champion in 1941, a full sister to the 1936 International grand champion, Oakwood Emperor. Her last calf heads the herd of Dr. D. W. Griffin of Chipley, Florida and everyone knows it takes a top bull in every way to fill that assignment. Another son heads the Nolan herd in Arkansas while a fourth son went to the herd of Cecil Unruh, Greensburg, Kansas. In type this calf will please the critical—in breeding he has EVERYTHING.

**OAKWOOD ROYAL CHIEF** looked like a herd bull the day he was dropped. He was the first son of Commander in Chief and we decided to keep a finger on him for service at Oakwood while Chief spends half his time at Sporting Field farms. We didn't fit him for we wanted to have him ready for active service. Since we have been able to keep Chief an extra three months we are offering this bull. He is just his sire over again at the same age. He's as red as they come. He has the head of a de-horner and he has the bone and ruggedness of a sire. He has great spread to his rear quarters and he is level and true in his lines. Moreover, his dam has never produced anything but a good one. Her son, Oakwood Ambassador, was our best bull calf in 1946 and was sold for export before the shows. He has proven himself a sensational sire for Senor Carlos Arocena of Uruguay. We have every confidence in Royal Chief and we hope you will share our enthusiasm for him—a real bull in working form.

				Roan,

Those who attended our 1946 sale will recall the \$5,000 Oakwood Grand Duke. Those who attended the recent Janesway-Lehnert sale will long remember the uniform lot of daughters of this bull. Oakwood Beacon offers new blood through his sire, the first polled bull available carrying a cross of Millhills Yesteryear, sire of the Perth supreme champion. Oakwood Lady Gloster is one of the breed's best breeding cows. Remember her son, Oakwood Forecast, who was exported to Australia last season after he topped the summer yearling bull class at the International? We feel there are a great many reasons why Oakwood Beacon should appeal to thinking cattlemen.

**OAKWOOD ELATION** is a rugged, well grown bull that possesses scale and a perfect solid red color. He isn't in high condition but is a bull with natural thickness and he is true and level in his lines. He has a head that is smooth and we predict that he will be another one hundred per cent de-horner. With three International grand champions bulls and the Perth supreme champion Coldoch Union Jack in his pedigree, he should prove a top notch sire. A full brother just dropped, rates with us as one of the best prospects on the farm.

**OAKWOOD KING'S RANSOM** is the only son of the many times champion, Alpine Sensation, in the sale. He is also the only bull out of a daughter of Oakwood Royal King being offered. Thus, he combines the bloodlines of two worthy bulls. His dam has a record of producing calves that have made good everywhere. Her daughter, Oakwood Rosewood 23rd, was a foundation female in the Janesway herd at \$1,500, bred to Alpine Sensation. Oakwood Ransom, a son, went to Madison Jones in Alabama at \$1,500 and sired a grand lot of calves. Another son headed the herd of Dr. R. E. Lightner and left a lot of good cattle there. Here's a diamond in the rough—don't pass him and regret it.

The use of International grand champion herd bulls on such females as these has resulted in an UNPARALLELED SHOW RECORD for Oakwood Polled Shorthorns. This sale provides the opportunity to secure the choicest specimens of the breed.

Sure, this picture was taken at Oakwood and it was a long time ago—but we are using it to illustrate the kind of females that have been used to produce better Polled Shorthorns at Oakwood. In this group are cows whose descendants are selling in the 1950 Sale offering. Left to right are Oakwood Harmony, Oakwood Happiness 2d, Oakwood Estelle 12th, Oakwood Rosewood 4th, Roan Lady of Oakwood, Oakwood Estelle 15th, Oakwood Lavender 10th (1938 International Grand Champion female), and two daughters of Oakwood Emperor that have topped our sales.

# About the Females in this Sale . . .

Never have we been so completely satisfied with the quality and breeding of our female offering! Every heifer seems to have that perfect combination of individuality and ancestry that provides complete assurance of future usefulness. Just at a time when we felt that the Oakwood Herd had reached its peak strength, we had the opportunity to purchase one of the greatest herds in the land in its entirety . . . the Misty Vale Herd owned by Dr. Parke G. Smith of Cincinnati. Since this famous herd had been established almost entirely on top specimens produced in our own herd, we couldn't resist the temptation to buy them. This addition of 70 head of royally bred Polled Shorthorns made possible a much larger calf crop in 1948 and 1949 with the result that the number of OAKWOOD BRED calves in this sale is larger than ever before in our history.

We call your special attention to the large number of heifers carrying the service of Oakwood Leader x. The calves by this young herd bull are excellent! We will show them to you on sale day and we feel sure it will make you want to own the heifers carrying his service.

We ask you to note carefully the bloodlines that are represented in this sale offering. Never in the history of the breed has their kind been available in such numbers. If you will buy them your dreams of a great herd will certainly come true!

*If some far sighted beginner had the courage to buy the ten best females in this offering along with the best bull in the sale, within the span of five years that beginner would be recognized as owning the best Polled Shorthorn herd in the country. He would not have the MOST cattle but he would be sure to have the BEST.*

Her dam is one of our best breeding daughters of the \$4,000 Oakwood Lieutenant Commander, exported to King Bros. of South Africa in 1945. Her grand dam is a full sister to the dam of the 1950 grand champion female at the Ohio and West Virginia State Fairs and the third dam produced the three times International Championship Winner, Oakwood Harmony.

Her last heifer was one of the heifers purchased by R. C. Armstrong, Teeswater, Ontario, in our 1949 sale. Another daughter brought \$1,000 as a heifer calf in 1945 and is an outstanding cow in the Peters Herd. We have kept two of them, one produced the \$1,000 Oakwood Bar-None and the other one produced the \$2,000 Oakwood Mercurian, these being their first calves. The worth of such heifers is unlimited and she speaks well for herself.

OAKWOOD LOVELY LADY 2D is all her name implies—and she's a daughter of that kind of a cow. Had there been shows in 1942-43 Oakwood Lovely Lady would have been well known to all—for she was our best production up to that time. It would take pages to recount the excellent individuals that we have produced from the old foundation cow Gallant Lady 2d, by the twice International grand champion Lord Collynie.

When she came here she brought the blood of three International grand champion bulls in her heritage. We've added two more, Oakwood Emperor and Oakwood Commander.

What this family has done for Oakwood, this heifer can do for you! If you want the best, you'll buy this one!

OAKWOOD ANNETTE 4th is a solid red daughter of Oakwood Leader that will appeal to the critical. She is a show ring pattern, if fitted, and to us she is a breeding prospect of the first water. Her dam is a heavy milking young red cow whose first calf, a bull, went to head the Redman & Swank Herds, Zanesville, Ohio. Her first daughter went to Roy Hopper, Fredonia, New York, and the second one to Sperry Farms.

In the noted Sni-A-Bar herd of Missouri and the long established Canadian herd of the late Will Dryden, these Annettes were top cattle. The reserve champion female, Alpine Annette 8th, shown by Alpine Farms at the 1947 Illinois, Missouri and Iowa State Fairs, was out of Annette 19th and the 1949 Illinois State Fair reserve champion bull was out of this 1947 winner. Such things don't "Just Happen," they are bred into this family and that's why our confidence in Oakwood Annette 4th is UNLIMITED!

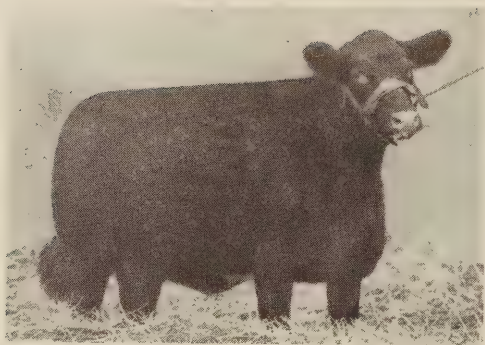

# Leadership rests on achievement

We have developed and shown eight International Grand Champion bulls. All eight of these bulls have been in service in our herd, where we have mated them to the most outstanding cows we could produce and that money could buy, always satisfying ourselves in each case that their breeding and inheritance were absolutely right!

WALNUT GROVE BUTTERFLY 3D was consigned to the National Sale in Memphis, but we didn't have room for her—so she will be one of the attractions November 2d. Anyway you look at her, she pleases you. She is deep bodied, she's thick, she's short legged and she looks like a brood cow. Her sire is a full brother to our champion, Gloster of Oakwood B. Her dam is an ideal cow and her grand dam is one of those cows who never produces anything but a top calf. Why? She's bred that way. This heifer is a three-fourths sister in blood to the 1950 Congress champion bull sold at \$2,750. She's due to calve February 7th to Commander-in-Chief. Her calf by Commander-in-Chief might be a champion.

What a head! Type and broodiness to spare—deep, thick, short legged and the third heifer of that same pattern by Chief out of this cow. She's the best of the three. One stays in the Turner herd, another went to R. C. Armstrong, Teeswater, Ontario, Canada, in our 1949 sale. This heifer could bring fame and fortune to some herd and her first calf could well pay the cost. She's mated to Oakwood Leader and due to calve January 14th.

OAKWOOD LEADING MISSIE is shown in the group of four daughters of Oakwood Leader. She is Carol's first calf, bred and owned by herself, and Carol is proud to include her in this sale offering. This heifer topped the group of summer heifers in the 4-H club show at the Ohio State Fair. She is a three-quarters sister to the \$2,750 Congress Grand Champion, Royfield's Leader, now heading the herd of C. Henry Baum, West Lebanon, Indiana. See her full brother, a dark rich roan, on sale day and you'll share Carol's confidence in this heifer. She sells open.

OAKWOOD GLOSTER J is one from a family that has made good everywhere. Oakwood Gloster B, a full sister to her dam, topped our 1942 sale at \$1,410. She's now back at Oakwood and is the dam of Oakwood Guaranty who is selling in this sale. Oakwood Gloster C, another sister, sold at \$1,000 in 1943 to go to Cherry Hill, at which time she was carrying a calf that later sold for \$2,050; her only daughter went to Dr. C. J. Lemmon, Sumter, South Carolina in the Cherry Hill Dispersion at \$1,500. There are many reasons why this heifer should be eagerly sought after.

Millbrook Mistletoe 3d, first prize winner at the International and Congress sale, selling at \$1,250. Her dam was out of Oakwood Mistletoe.

**OAKWOOD MISTLETOE 7th** is the last calf out of the old Mistletoe cow, one of the best breeders we've ever owned. She looks every inch a brood cow prospect and the man who owns her may face the future with confidence. Wm. McDonnell purchased a daughter of Oakwood Mistletoe in our 1943 Sale. She produced the highest selling animal he ever produced, the International and Congress winner that went to the Cherry Hill herd at \$1,250. Do you want to breed and sell some of that kind? Then buy this heifer and you'll be on your way.

OAKWOOD FLORA—At the last moment we decided to offer this heifer and we have no photograph of her. Even though she is not highly fitted she has stood well at the shows and she is as modern in her type as a 1951 model.

These Cluny Flora cattle are distinctly a family within themselves. We had planned to keep this heifer to mate to Oakwood Bequest, for her dam and her other daughters have been top notch breeding cows.

If you aspire to breed the BEST, you'll aspire to own HER!

Pages could be written of the performance of this "Family of Families" at Oakwood and the many herds into which they've gone in the United States and Australia.

Not only is this heifer a daughter of Oakwood Leader, but her dam is a model brood cow by the many times champion, Alpine Sensation. Her second dam is a full sister to the 1936 International grand champion, Oakwood Emperor. Her background is proven. Her future is assured!

OAKWOOD MISTLETOE 6th will be recognized by good cattlemen as the kind "Seldom Offered". Her sire, Alpine Sensation, is one of the breed's better bulls and he was still that kind at six years of age when we loaded him for export to Australia last winter. Down under, they called him "The Best Polled Shorthorn Bull Ever Imported". Her dam was our only daughter of Oakwood Consul, a bull who was the first grand champion bull in the Royal Easter Show in Sydney, Australia, and that, right out of quarantine. He was in service until ten years of age and many of the best cows in the Peele River Stud are his daughters. We are proud of this heifer and she has been mated to Oakwood Leader.

Her dam is a cow that is priceless: a heavy milker and a daughter of two International grand champions, being sired by Oakwood Emperor and out of the 1938 International grand champion female, Oakwood Lavender 10th. This heifer will be mated to Commander-in-Chief before the sale.

Paul W. Teegardin, Jr. and his 4-H Club heifer, Oakwood Myrtle 4th, the first calf dropped at Oakwood sired by Commander-in-Chief. She was grand champion over all breeds at the Pickaway County Fair and reserve champion in the 4-H Shorthorn show at the Ohio State Fair. She was reserve champion in horned competition at the West Virginia State Fair. Lot 34 is his half sister.

**This is The "Opportunity Sale" in Polled Shorthorn History**

## We Lose . . . You Win . . . We Can't Keep 'Em!

The next ten bred heifers in the catalogue are the heifers we had "laid back" to stay at Oakwood. Every heifer is out of a cow whose record of performance and whose inheritance have qualified them by our standard.

We chose the bulls they are mated to, to sire the calves for **US**, and with no thought of how these heifers might sell. **Why** are they offered? We have been leasing eighty acres of pasture on an adjoining farm and the owners want to put this pasture land into grain crops. That eliminates increasing our brood cow herd and that's the big reason we are holding this sale on Nov. 2nd instead of in June 1951 as we had previously planned. These heifers will be in breeding condition and not fitted for sale. They will make better breeding cows this way we are sure, but you would naturally like them better in higher condition.

If our confidence in them is justified, they will indeed do well in **YOUR HERD!**

**OAKWOOD CLARA 4th** should make good. Her sire, a dark roan polled grandson of the Perth champion, Calrossie Mercury, and a son of the \$1,500 Oakwood Estelle 15th was a really top notch bull that died too young. Her dam is one of the best females from the Cherry Hill Herd and her first calf, a bull, is siring a most uniformly good lot of calves in the herd of O. R. Stahl, Sheridan, Indiana. This is her second calf and her last one will stay here for 1951 shows for she's one of the winning kind. We sold her granddam, Maxwalton Clara 20th, in our 1943 sale at \$1,500 to go to Cherry Hill. The calf she was carrying by Oakwood Nonesuch was the top female in the 1946 Congress Sale at \$1,450. That is the kind of a background this heifer possesses and she is due to calve December 4th to the service of Commander in Chief. At ANY price, she can be worth it!

**MISTY VALE AUGUSTA LADY**—Here is a brood cow kind. A solid red, thick, deep bodied, roomy heifer that is out of a real breeding cow. She is a granddaughter of the famed Cherry Hill sire, Edellyn Royal Leader 2d. Her dam is a solid red, heavy milking granddaughter of the International grand champion, Lee Dale Collynie. This cow's first calf topped the 1945 Congress Sale at \$1,500 to head the Frank Simpson herd in Australia. The grand champion female in the 1950 Royal Easter Show in Australia was a granddaughter of that bull. Yes—Good blood breeds on! She is due to calve before the sale to the service of Oakwood Conqueror, 1949 Ohio State Fair Grand Champion Bull.

Why not buy all four of them? From left to right they are: Oakwood Leading Missie (Lot 19), Oakwood Happiness 12th (Lot 11), Oakwood Lancaster (Lot 15), and Oakwood Annette 4th (Lot 14).

OAKWOOD GLOSTER I is a sweet headed dark rich roan heifer that lacks the condition to bring half her worth. She comes from a family of cattle that have been great breeders everywhere they've gone and that covers the world! The heifer a year older out of this cow was one of the best prospects we sold in 1949. She went to the strong herd being established by R. C. Armstrong, Teeswater, Ontario, Canada, where she has dropped a real promising calf. This heifer is mated to the 1949 Ohio State Fair Grand Champion, Oakwood Conqueror, and is due to calve March 10th. Who will be her fortunate owner?

OAKWOOD HIGHLAND JOY—Based on the record of performance in Shorthorn breeding of the past decade this heifer should hold a lot of appeal. She is sired by a Polled grandson of the All American Favorite, Edellyn Royal Leader. Her dam is a thick, deep bodied, Polled granddaughted of the Perth supreme champion, Calrossie Mercury. To our knowledge, no Polled Shorthorn heifer has ever been offered to the buying public with this combination of blood of these two phenomenal sires.

She is a grand heifer, too, ideal in her type, balance and broodiness. She's right close to PROFIT, for she's due to calve December 3rd to the service of Commander in Chief. That calf could be winning CHAMPIONSHIPS in 1951!

Would you like to own this group? Of course you would! Then come to the Oakwood Sale. From left to right they are: Elmwood Gloster 3d (Lot 18), Oakwood Highland Joy (Lot 40), Oakwood Annette 3d (Lot 42), Oakshade Mayflower 6th (Lot 43), and Oakwood Gipsy Maid 2d (Lot 41).

Oakwood Lieutenant Commander, one of the great sires bred by the Teegardins. He sold at \$4,000 to King Bros. of South Africa.

		Gipsy Maid 28th 1790066 Roan, Robert L. Stewart

OAKWOOD GIPSY MAID 2d should make a top cow in the country's best herd. When you see her, you'll understand why she was to have stayed at Oakwood. Ask to see her dam—then you'll be certain!

Her dam cost \$1,500 and was carrying a calf that we sold for \$1,050 to La Velle Brown of Brookhaven, Mississippi.

This Gipsy Maid family has produced the better cattle down through the years. Wherever she may go she will continue that tradition. What should her calf sired by Oakwood Leader do in YOUR HERD?

# OAKWOOD ANNETTE 3D x2542326

Coronet Command, 1941 International grand champion bull. Lot 42 is one of his daughters.

OAKWOOD ANNETTE 3d should be one of the most sought after females to be offered in 1950. Why? In the first place, she is a good heifer and looks like a brood cow. Second, there is another daughter of Alpine Annette 2d selling in this sale that will convince you that this family is of the best. Third, she is a daughter of the great sire of brood cows, the 1941 International grand champion, Coronet Command. Fourth, this heifer is listed only as an attraction and is the only daughter of Coronet Command that we will part with. Fifth, Oakwood Bequest is out of a dam by Coronet Command and THIS heifer is bred to Oakwood Leader. Reasons a-plenty why breeders should aspire to her ownership!

## OAK SHADE MAYFLOWER 6TH x2513169

Oakwood Hallmark has proved a great sire in the Oakshade Herd at Williamsport, Ohio. Lot 43 is one of his daughters.

OAK SHADE MAYFLOWER 6th could put some herd in the limelight. What a pedigree for performance! Oakwood Hallmark is just one of the country's top bulls and he is a son of the \$4,000 Oakwood Lieutenant Commander. Have a look at Oakwood Happiness 12th, her dam is by the same bull.

Browndale Conqueror was one of the greatest sires of his day and time and Maxwalton Guardian sired as many good breeding cows as any bull of his era. These Mayflowers are a family that you can tie to and be RIGHT. She is due to calve January 1st, 1951 to the service of Oakwood Leader.

## GLOSTER OF OAKWOOD E x2544372

Gloster of Oakwood B, many times a champion.  
From the same family as Lot 44.

GLOSTER OF OAKWOOD E will be a bargain for she is not in condition to look her worth. She is a dark rich roan and is out of a cow whose daughters have produced top calves. Gloster of Oakwood in the Cherry Hill Herd was out of this same cow. One of her sons is in service at Sporting Field Farm, Capon Bridge, Va. Another son heads the herd of Harry McCann, Winchester, Va., and a daughter is in the Lynnwood Herd, Carmel, Indiana. Gloster of Oakwood B, the 1945-46 grand champion female, is another daughter. Her first calf was Gloster of Oakwood C, our four times champion female last year. Her second calf sold at \$1,675 in our 1949 sale to Mr. & Mrs. McGee, Braxton, Miss. That's the kind of family she is from and she sells mated to Commander in Chief.

Here's a group that we sold in a former auction.  
They are all making money for their new owners.

ROAN LADY OF OAKWOOD 5th is a dark even roan of correct pattern and ideal type. These cattle just breed that way. Gold Sovereign was one of the shortest legged, beefiest bulls shown in 1948 and this heifer's dam produced the \$2,000 Oakwood Mercurian as her first calf. We have three granddaughters of the Perth supreme champion, Calrossie Mercury, in our herd and each cow has a calf in this offering. See them, then study Roan Lady of Oakwood 4th who is also selling. Sure! You'll understand what we mean when we talk about INHERITED EXCELENCE!
